Wedding Flights

Mt Kidd

Departing from our Lakefront Helipad, we fly over Lake Te Anau and you see the hidden wonders of our area unfold as you get a real feel for 'remote' Fiordland. Crossing over the main divide, forever changing scenery of beech forest, mountain slopes, alpine lakes, waterfalls, hanging valleys and snow clad mountain tops.

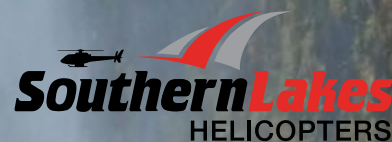

A landing is made at Mt Kidd, a high alpine landing with dramatic views. Mt Kidd has its own small lake and snow for around 11 months of the year. Sometimes our rare native bird the Kea may visit while you're there.

DURATION:

30 mins flying time and 45mins at location – total 1 hour 15 minutes approximately.

Wedding Flights

Mt Titiroa

Departing our Te Anau base we fly over the Iris Burn and Lake Manapouri to our destination - Mt Titiroa. This peak (1715m) sits proudly behind the Manapouri township and is most certainly remote as there is no track to the summit.

This area is a geological marvel, which from a distance looks as though it is snowcapped. In fact it has magnificent and unique huge white granite formations and small lakes hidden within. From this elevated location you will have expansive views over Lake Manapouri, the Hunter Mountains and on a clear day to Stewart Island.

DURATION:

30 mins flying time and 45mins at location – total 1 hour 15 minutes approximately.

Wedding Flights

Tutoko Glacier

Departing from our Lakefront Helipad, we follow the shores of Lake Te Anau heading north over Milford Sound to Tutoko Glacier. Here we will make a landing where there is sure to be snow year round! On the way home we can make a second landing at Lake Quill, head of the Sutherland Falls, one of the highest in the Southern Hemisphere. This is a beautiful location with a large lake and panoramic views. We then return to Te Anau.

DURATION:

1.2 hours flying time and 30 mins at each location – total 2 hours 15mins approximately.
